Welcome to the NWHS Boosters Silent Auction

Thursday November 10, 2011

This is our sixth of many annual Silent Auctions to come. This Auction is being held so that we may raise funds for extracurricular activities at N.W.H.S. We hope that you will donate and bid generously to help us support the students at Northwest. The Silent Auction is hosted by the Boosters with the support of the School Administration, Athletic Dept., the Ambassador Club, Students, Staff & Parents.

This catalog will be updated regularly over the coming weeks as donations come in. Please check back with us to see the new items available for Auction.

YOUR RESPONSIBILITY: BID HIGH, BID OFTEN AND HAVE FUN!!!!

*All auction participants will be given their own bid number, please be sure to list this on the bid sheets with your other information.

*All of the items are sold "as is". We have tried to give a complete/accurate description of all items. There are no warranties expressed or implied. Please look at the items carefully (expiration dates, warranties, limitations etc..). If you have any questions, the Auction staff will try to give you answers. All sales are final and we can't exchange nor give refunds.

*NWHS & NWHS Boosters are non-profit organizations. Please check with a tax advisor regarding deductions for charitable donations if you have donated items or the deductibility as a charitable donation for the amount in excess of the fair market value if you have placed such a bid.

*The winning bidder must take possession of the item as soon as payment is received and verified. If the winning bidder has left the Auction, they will be contacted by phone on Thursday evening and must make a payment via Pay Pal to receive their item. It must be picked up by 1:00pm on Friday November 11, 2010 unless other arrangements are made. If payment is not received by Friday at 9:00a.m., the item(s) will go to the next highest bidder.

*All services and use of property such as vacation homes/weekend getaways are subject to terms of use and arrangements must be made with the donor. Any fees incurred through the misuse of such property will be the liability of the user, not the donor.

HOW THE AUCTION WORKS:

All Auction items will have a bid sheet assigned to them. If you would like to bid on an item, fill out the next available line on the bid sheet with your bid number and the amount you are bidding. **DO NOT REMOVE THE BID SHEETS, THE BID SHEET MUST STAY WITH THE ITEM AT ALL TIMES.**

Starting bids & minimum bid increases will be listed on the bid sheet. Example: If the starting bid is \$25.00 then you may not bid lower than this amount. If the minimum bid increase is \$10.00 then the next bid must be at least \$35.00. If we cannot read your bid, the bid will not be accepted.

Bids may not be altered once entered. **WHEN PLACING A BID THIS IS YOUR AGREEMENT TO PAY THAT AMOUNT.** Do not enter a bid unless you are willing to purchase that item.

Bidding on **All Silent Auction items** will end at 7:00p.m. promptly. Winners bid numbers will be posted in the hallways during the live Auction. The Auction staff will disburse these winning items once payment is rec'd and verified.

Any discrepancies will be handled by the Auction Staff and all decisions are final.

RAFFLE ITEMS:

Several items will be available for raffle. Raffle tickets are \$1.00 each (the more you buy, the better your value). Place raffle tickets in the bags next to the items you wish to win, please make sure to put your bid number on your raffle tickets. Winners will be posted in hallways after the Live Auction.
